

Payment Card Industry Data Security Standard (PCI DSS) CERTIFICATE OF COMPLIANCE

Fzypay Elektronik Para ve Ödeme Hizmetleri A.Ş. (FzyPay)

This is to certify that **FzyPay** has been assessed on-site by Cyberwise in Turkey and was found to be compliant against Payment Card Industry Data Security Standard v3.2.1 (PCI DSS)

Conditions of Issuing:

- This certificate is valid for 1 year from the below date of compliance.
- This certificate is for the sole purpose of identifying compliance and cannot be used for any other purpose without the express written consent of Cyberwise's legal counsel.
- This certificate shall not warrant or guarantee to any third party that service provider's cardholder environment is invulnerable to attack or compromise. Accordingly, in no event shall Cyberwise be liable to any third party in the event of loss or damage caused by any failure or breach of **FzyPay**'s systems or payment applications.

Assesment Includes: Internet / E-commerce, VPOS service

A handwritten signature in blue ink, appearing to read 'Caner Aşçioğlu'.
